

Subject: Request for Sponsorship to Participate in the OCFP Leadership Academy

Dear **Name**,

I am writing to request your support to participate in the Leadership Academy currently being offered by the Ontario College of Family Physicians and delivered in partnership with the Rotman School of Management. Designed specifically for family physicians, this immersive hybrid program builds the confidence, influence and practical leadership skills needed to lead teams, advance organizational priorities and contribute to meaningful health system change.

Family physicians are increasingly leading in complex environments across practices, teams, communities and the broader health system. The Leadership Academy is grounded in the realities of physician leadership and provides practical approaches that can be applied directly to current organizational and system priorities.

Participation in the Leadership Academy will strengthen my ability to:

- Lead teams and initiatives through complexity and change.
- Apply systems thinking and strategic decision-making to organizational priorities.
- Build partnerships, influence stakeholders, and move ideas into action.
- Strengthen my executive presence, resilience, and confidence as a family physician leader.

Upon completion, I will apply the learning to my work and will also share relevant insights and practical tools. Additionally, the program scheduling is accelerated, specifically designed for busy work schedules.

Here's how much it will cost for me to attend:

- Travel: **[Insert travel amount, if applicable]**
- Program Fee: \$3,950 + HST
- Total: **[Insert Total]**

You can learn more about the program here: [The OCFP Leadership Academy](#)

Thank you for considering my request. I would welcome the opportunity to discuss how my participation can best support our organizational goals.

Sincerely,

Your Name
